RE: Magoffin County Water District  
Case No. 2015-00022 - Filing Deficiencies

The Commission Staff has reviewed the application in the above case and notes that the utility is using 2013 as the test year. The test year is generally the reporting period of the annual report for the immediate past year; however 807 KAR 5:076, Section 2(b) indicates that the utility may use the reporting period of the most recent annual report that the utility is required to have on file with the Commission. Magoffin County Water District requested and was authorized an extension to April 30, 2015 to file its 2014 annual report.

While use of the 2013 test year is allowed, this filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

- (1) 807 KAR 5:076, Section 4(1)(a) – Completed ARF Form-1 signed by applicant or officer & under oath. The boxes on page four are not checked.
- (2) 807 KAR 5:076, Section 4(1)(b) – Copy of all outstanding evidences of indebtedness.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned required information is filed with the Commission. You are requested to file this information within 10 days of the date of this letter.

If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Linda Faulkner  
Filings Division Director
